

## Rosalie Nadeau

[2-day Still Life Pastel Workshop](#)

[April 18-19, 2011](#)

**In Howard County, Maryland**

**Emphasis on Visual Skills** Bring dynamic light to life in your still life paintings. Enjoy expanding your painting skills by honing your visual skills during detailed demonstrations and one-on-one instruction in a studio environment. Develop an increased awareness of relative value and color as it translates into how you see reality. Interpret light as it changes color value and color temperature and learn to bring brilliance and presence to the painting surface.

A master plein air painter and inspired teacher in both oil and pastel painting, Rosalie Nadeau balances powerful color with classical form. Her vibrant paintings illustrate feature articles in magazines (*Pastel Artist International*, *American Artist*, *The Pastel Journal*, *Cape Cod Life*) and books ("Painting the Impressionist Landscape," "Pastel School," "The Pastel Artists Bible," and the cover of "Painting Shapes and Edges"). Her work was selected for the permanent collection of the Cape Museum of Fine Arts, as well as corporate and private collections nationwide, and has earned her signature memberships in the Pastel Society of America, Connecticut Pastel Society, and Pastel Painters Society of Cape Cod. She is an active member of the Cape Cod Art Association, Chatham's Creative Arts Center, Maryland Pastel Society, and the Pastel Society of North Florida.
